**Subject:** touching base

Hi Sara,

Watson asked me to get in contact with you. I'm working out of an office at Sand Island today, but I can be reached via email or at 808- 832-5002. Unfortunately, I can't make phonecalls to the mainland from this office, but if you'd like to talk on the phone rather than email, please feel free to use the number I've listed.

Thanks,  
Randee
